Includes: food, transport, accommodation.

More details to follow...

18th- Christmas Party in youth Shed....

Hi parents,

Enclosed is our anticipated term 4 program, which, has been structured to accommodate our leaders that are sitting university exams as well as our high school youth doing NCEA/Cambridge. Please remember them in your prayers. You will notice that on the 25th of November we have

'Progressive Dinner' It would be great if we could have your support again by opening up your homes and feeding the different groups for either entree, main or desert (Kiwi Style is the theme) – please let me know if can.

Last year we took the youth up to Whananaki where we stayed at the local hall, we had a great weekend connecting and celebrating the end of the year together. We have booked the hall again this year for a longer period of 4 days. It would be great if any parents are able to come and

join/support us or want to pop up for a day or overnight (from memory there are separate sleeping facilities provided). My hope is to have a local speaker from Whangarei speak one night (If you know of anyone -Youth orientated, please let me no). Also, I know some Parents have camped up here previously and therefore might know of any local vistas or tramps that would be good to take the youth too or on.

Finally, Thank you for all your support and prayer you have generously given the Youth Ministry this year - it is much appreciated.

Blessings,

Steve Murray.

p.s. **Whananaki Cost and dates.** (We hope to run a couple of fundraisers to help lower costs)

Dates: leave on the 9th and return on the 13th December

Cost: (incl:accommodation,food,transport) over 16years = \$95 under 16years = \$85 (cheaper because age per accommodation cost)
